The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**REJECTION OF ALL PROPOSALS RECEIVED FOR  
ADVERTISING BUS STOP SHELTERS AND AMENITIES PROGRAM  
(ALL SUPERVISORIAL DISTRICTS)  
(3 VOTES)**

**SUBJECT**

This action is to reject all proposals received for the Advertising Bus Stop Shelters and Amenities Program.

**IT IS RECOMMENDED THAT YOUR BOARD:**

Reject all proposals received on October 6, 2008, for the Advertising Bus Stop Shelters and Amenities Program, and authorize the Department of Public Works to refund all bid guaranties.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended action is to enable the Department of Public Works (Public Works) to pursue a replacement contract for the Advertising Bus Stop Shelters and Amenities Program at a future time when more favorable economic conditions prevail in the advertising business to support the program. In the interim, Clear Channel Outdoor, Inc. (Clear Channel), is able to maintain the existing advertising bus stop shelters and generate revenue in accordance with the terms of their current contract (Agreement No. 63885) through March 10, 2011.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs the provision of Service Excellence (Goal 1), Fiscal Responsibility (Goal 4), and Community Services (Goal 6). The recommended action will allow Public Works to continue providing services that support these goals.

### **FISCAL IMPACT/FINANCING**

There will be no impact to the County General Fund.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

On May 1, 2008, Public Works issued a Request for Proposals (RFP) and received one proposal. The proposal was disqualified due to nonresponsiveness. On August 12, 2008, Agenda Item 31, your Board approved amending the existing agreement with Clear Channel to extend the contract terms on a month-to-month basis for 30 months from September 11, 2008, to March 10, 2011, in order to enable a smooth transition if a new contractor was selected.

On August 12, 2008, Public Works solicited proposals from 92 independent contractors and community business enterprises for the program. Also, a notice of the RFP was placed on the County's bid website (Attachment), and an advertisement was placed in the *Los Angeles Times*.

On October 6, 2008, one proposal was received from Clear Channel. Public Works staff evaluated the proposal and determined that it was responsive and that the proposer was responsible. However, on November 18, 2008, Clear Channel indicated that they were unable to carry out the terms of their proposal but would be able to continue performing the services under the current contract.

The Advertising Bus Stop Shelters and Amenities Program requires a significant capital investment to be made by the licensee, which is paid for by advertising revenue. The current state of the economy has negatively impacted the amount of advertising revenue generated. The RFP provides for the rejection of all proposals if such action is in the best interest of the County. Public Works has determined that it is in the best interest of the County to not award a contract at this time, to reject the proposal, and to maintain services under the current contract. Clear Channel will continue to share advertising revenue with the County until March 10, 2011, in accordance with the current contract (Agreement No. 63885).

Public Works will pursue a replacement contract for this service at a future time.

**ENVIRONMENTAL DOCUMENTATION**

In accordance with Section 15378(b)(4) of the California Environmental Quality Act (CEQA) Guidelines, approval of the recommended action does not constitute a project hence, is not subject to the requirements of CEQA.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

There will be no impact on current services. Clear Channel will continue to maintain the existing advertising bus stop shelters.

**CONCLUSION**

Please return an adopted copy of this letter to the Department of Public Works, Administrative Services Division.

Respectfully submitted,

  
GAIL FARBER  
Director of Public Works
